Working in association with Business Links

Inside Industry is part of the DTI Manufacturing Advisory Service (Yorkshire & Humber) which is delivered by YFM Business Development and funded by Yorkshire Forward

What is Inside Industry?

Inside Industry enables you to learn from other manufacturers who have achieved success in a particular area of best practice. Choose an area that you want to improve in and visit the factory of another manufacturer to find out what they did and how they did it.

Focus on:

- Lean Manufacturing and Process Improvement
 - Cultures where continuous improvement thrives
 - Energy efficient manufacturing
 - Outsourcing and offshore manufacturing
 - Supply chain management
 - Innovation and diversification
 - Technology acquisition and implementation
- and much more

Use this low cost option to keep your manufacturing knowledge, skills and technique relevant and up to date.

How much does it cost?

The cost of participating on an Inside Industry factory visit is £95.00 +VAT per delegate. Where there is more than one delegate attending from the same company, the first delegate will pay £95.00 +VAT with each subsequent delegate paying an even lower price of £50.00 +VAT.

How do I book a factory visit?

The Inside Industry website gives full details of the current visit programme and you can make your booking from here. Alternatively, contact the approved deliverer on the back page of this leaflet or call the Inside Industry office on **0870 125 3311**.

Make Inside Industry central to your continuous improvement activities

- Benchmark your performance and find out how good you really are
- Motivate your employees. Give them opportunities to network and talk with other manufacturers and help them to contribute more value to your business

- Get real answers from real people. All factory visits are led by people who are passionate about manufacturing and want to share their experiences with you.
